

<i>Company</i>	<i>Country</i>	<i>Services</i>
Anglo Coal Australia Pty Ltd	Australia	Testing and assessment of coals for use in European Coke Plants
BHP Billiton Ltd.	Australia	Testing and assessment of coal for use in cokemaking
Jellinbah Resources Pty Ltd.	Australia	Testing and assessment of individual coals as single coal and as blend component in common used coal blends
M Resources Pty Ltd	Australia	Testing and assessment of coal for use in cokemaking
Peabody Energy Ltd.	Australia	Testing and assessment of coals for use in cokemaking
Rio Tinto Coal Australia Pty Ltd	Australia	Testing and assessment of Hail Creek to support sales of this coal in Europe
Shell Coal Marketing	Australia	Testing and assessment of Moranbah North to support sales of this coal in Europe
voestalpine Stahl GmbH	Austria	Testing and assessment of individual coals to control their quality and testing of blends
BBC Trading N.V.	Belgium	Coke quality testing
Consol Godefroid Europe SA	Belgium	Testing and assessment of Pocahontas to support sales of this coal in Europe
Global Ispat Koksna Industrija (GIKIL)	Bosnia & Herzegovina	Testing and assessment of individual coals to select components for blends and testing of blends before applied at the plant

<i>Company</i>	<i>Country</i>	<i>Services</i>
Peace River Coal Ltd.	Canada	Testing and assessment of Peace River Coal to support sales of this coal in Europe
Teck	Canada	Testing and assessment of coal for use in cokemaking
Trenaco Company	Colombia	Testing and assessment of coals for use in cokemaking
Jiuquan Iron and Steel Co. Ltd	China	Test work for blend optimization based on available coals for stamp charging operation; cake stability testing
Pangang Group Int.	China	Test work for blend optimization based on available coals for stamp charging operation
Panzhuhua Iron & Steel Co. Ltd.	China	Test work for blend optimization based on available coals for stamp charging operation; cake stability testing
Shanxi Dathue Int. Co. Ltd.	China	Testing and assessment of coals for use in cokemaking
Inspectorate	Croatia/Germany/UK Belgium/Netherland	Coal analysis; Coke quality testing
SGS	Croatia/Germany/USA	Coal analysis; Coke quality testing
SSAB Rautaruukki plant	Finland	Testing and assessment of individual coals to select components for blends and testing of blends before applied at the plant
COMILOG DUNKERQUE	France	Coke quality testing

<i>Company</i>	<i>Country</i>	<i>Services</i>
ArcelorMittal Bottrop GmbH – Prosper Coking Plant	Germany	Testing and assessment of individual coals to select components for blends before applied at the plant; Coal and coke quality control
ArcelorMittal Eisenhüttenstadt GmbH	Germany	Coke quality testing
DK Recycling und Roheisen GmbH	Germany	Coke quality control
Hargreaves raw material services GmbH	Germany	Coal analysis; Coke quality testing
Hüttenwerke Krupp Mannesmann (HKM)	Germany	Testing and assessment of individual coals to select components for blends and testing of blends before applied at the plant; Coal and coke quality control
KOCH Industrieanalgen GmbH	Germany	Test work for blend optimization based on available coals for stamp charging operation compromise coke oven safety and economic constraints; cake stability testing
H&K KOCH Industrieanalgen GmbH	Germany	Test work for blend optimization based on available coals and additives for stamp charging operation compromise coke oven safety and economic constraints; cake stability testing
Koch Transporttechnik GmbH	Germany	Test work for blend optimization based on available coals for stamp charging operation
Kokereibetriebsgesellschaft Schwelgern GmbH	Germany	Testing and assessment of individual coals to select components for blends and testing of blends before applied at the plant

<i>Company</i>	<i>Country</i>	<i>Services</i>
Köppern Aufbereitungstechnik GmbH	Germany	Mechanical strength tests after thermal treating of coal briquettes for the optimization of the coal briquettes for the Corex/Fines process; Mechanical strength tests during thermal treating of coal and oil shale briquettes
RAG Trading GmbH	Germany	Coal analysis; Coke quality testing; Testing and assessment of coals for use in cokemaking
Salzgitter	Germany	Testing and assessment of coals for use in cokemaking
ThyssenKrupp Steel	Germany	Testing and assessment of individual coals to select components for blends and testing of blends
ThyssenKrupp Industrial Solutions	Germany	Coal analysis; Coke quality testing; Testing and assessment of coals for use in cokemaking
Bhushan Power & Steel Ltd.	India	Testing and assessment of individual coals and coal blend optimization
Bhushan Steel Ltd.	India	Testing and assessment of individual coals and coal blend optimization
Otto India Ltd.	India	Semi-industrial carbonization tests and coal blend optimization
Steel Authority of India Limited (SAIL)	India	Coal analysis and coke quality testing

<i>Company</i>	<i>Country</i>	<i>Services</i>
Kansai Coke	Japan	Testing and optimization of coal blends
Mitsui & Co., Ltd.	Japan	Semi-industrial carbonization test of single coals Shaqu and Malan
Nippon Coke & Engineering Co. Ltd.	Japan	Investigation of the effect of chamber width on the internal gas pressure and wall load
Idemitsu Coal Marketing	Japan/Australia	Testing and assessment of individual coals as single coal and as blend component in common used coal blends
Mongolyn Alt (MAK) Corporation	Mongolia	Testing and assessment of coals for use in cokemaking
Industrial Corporation of Mongolia LLC (ICM)	Mongolia	Testing and assessment of Tavan Tolgoi coals for use in cokemaking
Vale	Mozambique/Brazil/ Australia/Switzerland	Testing and assessment of individual coals as single coal and as blend component in common used coal blends
Oxbow	Netherland	Testing and assessment of coal for use in cokemaking
RC Inspection	Netherland	Coal analysis; Coke quality testing
Stockpile surveying and protection B.V.	Netherland	Coal analysis; Coke quality testing

<i>Company</i>	<i>Country</i>	<i>Services</i>
Tata Steel Europe	Netherland/ United Kingdom	Coke quality testing; Testing and assessment of coal for use in cokemaking
Store Norske Spitsbergen Grubekompani AS	Norway	Investigation of exploration drill core coal samples and calculation of CRI and CSR values
ISOROC Polska sp. z o.o.	Poland	Coke quality testing for foundry coke
Jastrzębska Spółka Węglowa S.A.	Poland	Coke quality testing
Polski Koks S.A.	Poland	Coke quality testing
Severstal Resurs ZAO	Russia	Testing and assessment of coals for use in cokemaking
ALTAI Koks	Russia	Test work for blend optimization based on available coals for stamp charging operation
US Steel Kosice	Slovakia	Testing of blends and assessment of results
ArcelorMittal South Africa – Newcastle Works	South Africa	Test work for blend optimization based on available coals with incorporation of limited quantities of recommended new coals

<i>Company</i>	<i>Country</i>	<i>Services</i>
Hyundai Steel	South Korea	Testing and assessment of individual coals (available for the customer), blend optimization based on the available coals; consultancy for future coal selection; Training and seminars for the responsible staff for the cokemaking at the industrial plant
POSCO	South Korea	Optimization of coal fine briquettes for their utilization coke oven
Svenskt Stål AB	Sweden	Testing and assessment of individual coals to select components for blends and testing of blends before applied at the plant; Coke quality testing
Swerea MEFOS AB	Sweden	Testing of coals and coal blends with additives for use in cokemaking
AMCI Resources GmbH	Switzerland	Testing and assessment of coals for use in cokemaking
Mechel Carbon AG	Switzerland	Testing and assessment of coals for use in cokemaking
Mincomet SA	Switzerland	Testing and assessment of coal for use in cokemaking

<i>Company</i>	<i>Country</i>	<i>Services</i>
Eurolinex	Ukraine	Testing and assessment of individual coals (available for the customer), blend optimization based on the available coals; consultancy for future coal selection
“Donetsksteel” – “Iron and Steel Works”	Ukraine	Coke quality testing
Environmental Scientifics Group Ltd	United Kingdom	Coal analysis; Coke quality testing
KNIGHT ENERGY SERVICES LTD	United Kingdom	Coal analysis; Coke quality testing
International Metallurgical Resources Ltd.	United Kingdom	Testing and assessment of individual coal; Coke quality testing
Minton, Treharne & Davies Ltd.	United Kingdom	Coke quality testing

<i>Company</i>	<i>Country</i>	<i>Services</i>
Drummond Company Inc.	USA	Testing and assessment of coal for use in cokemaking
Plateau Mining Corporation	USA	Testing and assessment of Willow Creek to support sales of this coal in Europe
Robindale Energy	USA	Testing and assessment of coal for use in cokemaking
Sun Coke Company	USA	Testing and optimization of coal blends
WARRIOR MET COAL MINING, LLC	USA	Testing and assessment of coal for use in cokemaking
Walter Energy Inc.	USA	Testing and assessment of coal for use in cokemaking
XCOAL Energy & Resources	USA	Testing and assessment of individual coals as single coal and as blend component in common used coal blends
